Introduction

It is the responsibility of the head of centre to ensure that Cardinal Newman School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Cardinal Newman School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Cardinal Newman School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to

- collect any conflict of interest

from

- all centre staff

to

- identify and manage any potential conflicts of interest

.

Declaration process

A Conflict of Interest form is sent electronically to all staff to complete.

Managing conflicts of interest

For internal recording processes, a conflicts of interest log is maintained and any potential conflicts declared by the centre staff is centrally recorded on the log. The relevant awarding body/bodies are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.
